

# THE TASK FORCE FOR EUCCHARISTIC EDUCATION

FEBRUARY 2023

This newsletter of The Cardinal Newman Society promotes projects submitted by individuals and organizations as part of the Society's Task Force on Eucharistic Education. Here is our featured project for this month.

## PROJECT OF THE MONTH

### Eucharistic Literacy Project

*Holy Child Catholic School*

Our school is hosting a weekly Holy Hour. We have purchased a small Eucharistic library with resources for conducting a Holy Hour. We have provided digital resources as well to help people learn the basics about Eucharistic Adoration.

*"My inspiration came from the fact that I know that the real power behind any school initiative comes from Jesus Himself. Real transformation happens when we sit in front of Him in the Blessed Eucharist. Only then can He renew our minds, heal our hearts and give us the inspiration and resources to have the school that He desires."*

(Janice Martinez, Principal)

I have made a private Holy Hour before the Blessed Sacrament at St. Raymond of Peñafort for you and for all the intentions which are dear to your heart.

Date: \_\_\_\_\_

Time: \_\_\_\_\_

May the heart of Jesus, in the Most Blessed Sacrament, be praised, adored, and loved with grateful affection, at every moment, in all the tabernacles of the world, even to the end of time. Amen.

## A Simple Project for a Parish or School

We all traditionally offer and send a Mass card to someone for multiple reasons – birthday, anniversary, illness. St. Raymond’s Catholic Church in Springfield, VA has made prayer cards available for those making a holy hour for someone else.

## How to Promote Eucharistic Devotion at Your School

Oct. 19, 2022 / By Dr. Dan Guernsey

Teaching young people about the Eucharist is important, but as Pope St. John Paul II warned in *Catechesi Tradendae*, the academic life can become too “intellectualized” without sacramental and Eucharistic devotion. Our students need to know of Christ’s Real Presence in the Mass, but then they need to love and adore Him.

At Donahue Academy, a parish K-12 school in Ave Maria, Fla., that I am honored to lead, we have taken several steps to promote Eucharistic devotion. Of course these are not the only ways of doing it, but they might suggest ideas for other Catholic educators.

1. Make devotion an explicit, visible part of the mission
2. Make Mass a central, reverent, and frequent part of school life
3. Make the Tabernacle accessible
4. First Friday Adoration
5. Eucharistic processions
